

1. The reply filed on 03/26/2010 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant failed to provide a proper listing and/or clear listing of all of the claims readable on the elected species, species "B", which is depicted by Fig.

2b. Applicant asserts that claims 2-4 reads on elected species "B". However, claim 2 depends from claim 41. Thus, it is unclear to the examiner how claims 2-4 can possibly read on the elected species when claim 41 does not. Moreover, claim 4 would appear to be drawn to one of the other species, such as species "C", depicted by Fig. 3, due to the fact that claim 4 recites that the polarizing filter is adjacent the first surface which is clearly not the case with the elected species of Fig. 2b, which shows the polarizing filter being adjacent the second surface.

Accordingly, correction and/or clarification is required in order to be completely responsive to this communication. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
